From the Director:

A Big Thank You for a job well done to each and every one of our HOG members. You're the ones who helped make our 23rd Annual Kennedy Home Ride a success.

The overwhelming support from our sponsors in addition to the local businesses for door prizes made this year's ride a really great one.

I hope you have a very Merry Christmas and Santa brings you everything you want.

**Ride Safely,
Tom**

Reservations Cancelled

I was a Biker Coordinator for a large prison ministry, bikers would come from all over America, meet in a certain city/ hotel and I would assign which prison I needed them to enter. For the third weekend my room was cancelled, and I was re-assigned one across town. I left angry. While bringing my gear in, a hotel staff stopped me in the hall and showed me the road rash from a bike crash that left him in the hospital two months. I then realized this was a Devine appointment (set up by God); I asked "If you hadn't made it thru that crash where would you be?" He answered not in heaven. I asked, "Would you like to change that?" I then took the bible and showed him who needs salvation. **Romans 3, 23:** For **all** have sinned, and come short of the glory of God; next I showed him **Romans 6, 23:** For the wages of sin *is* death; **(the penalty)**, but the gift of God is eternal life through Jesus Christ our Lord. **(The resolution)**, Next, I showed him, his requirement. **Romans 10, 13:** For whosoever shall **call** upon the name of the Lord, shall be saved. After he prayed, he left knowing if he died, he would be in heaven.

I contacted the ministry CEO, apologized and told him, if I hadn't been sent to another hotel, I would not been there to help that young man.

Isn't it amazing how God works, wonder how many times we have been delayed in a traffic jam and found later, if not delayed, we would been in the middle of a terrible accident. Remember God is on time every time. See you in the wind.

23rd Annual Kennedy Home Ride

Wow, what a great day and the weather cooperated. We had more than 800 registered bikes and approximately 1000 people were fed at the Kennedy Home. It truly was a sight to see Santa on his motorcycle being led by City of New Bern Police motorcycles and Highway Patrol escort. As always we appreciate all of the support of the Police, Sheriff, Highway Patrol and Fire Departments in making this a safe ride for all.

A big Thank You goes out to all of our HOG members for their support of this Annual Event. It takes a lot of work and we appreciate all of the volunteers who helped with the many details to make it a success. Tommy DeBue and parking staff once again handled getting all the bikes parked and then out for the ride. I can't say enough about the 50/50 team, Kim, Lisa, Alesia Jeff, Connie and Faye had a tremendous task with all of those people milling around. \$1681.00 went to the lucky winner!

We never know how many release forms, too many or not enough. The CMA teams and others handling the forms were great. They made sure all riders met the requirements of the ride. Our photographer was never at a loss for photo opportunities. I'm sure everyone is waiting to see the pictures from the event. Thanks to Mike Spencer for making arrangements to have the Fire truck on site. Kim as always DD was delicious.

I'll bet Mary and Mark both were counting in their sleep Saturday night. It takes a lot of coordination to get the 50/50 amounts as well as all the donations to the Kennedy Home done in time for the announcements. I know Mary and all helpers appreciated Mark's support and assistance. I can't say enough about Jean Chapman and the Registration crew, collecting money, toys, gift cards, and never stopping once the bikes started arriving. The Grand Total collected was \$14, 527.

This year we had Sponsors in Bar and Shield, Eagle, Chrome and Leather categories. All of their generous support helped make this a successful ride. Many of our local businesses gave great door prizes that were enjoyed by the lucky winners.

Thank You for your support no matter how big or small. What a GREAT SUCCESS. **Tom**
