From the Director:

September was a great month to ride. Hope everyone got out and rode like the wind!

These next months will be busy with stuff for the Kennedy Home Ride on November 25th. I appreciate everyone's support.

We can always use ideas for rides & people to lead them.

**Ride Safely,
Jeff**

2017 State Rally at Black Mt.

It seems to me every time I plan to attend a Rally my Biker Prison Ministry commitment makes us arrive late or leave early. In fact this time, we left on Wednesday visited friends and family around Dallas, North Carolina until Noon Thursday. Linda and I backtracked for a hundred miles back to Greensboro, where I ministered in a school till 4:30 pm. After that we headed for Crag Mount Assembly on Black Mountain North Carolina.

Friday morning around eight, Linda and I rode my bike to meet several bikers at Denny's for breakfast. Old Pumpkin's pipes sound like it was ripping up rocks behind us on that chilly morning.

Later when the fog lifted several of us took Highway 9 to Bat Cave, picked up 64 to 176 to Saluda, North Carolina. That was a nice town and prices were very reasonable. We had lunch at a grill /Oldest Grocery store in Carolina. When you get a Cheese Burger there, you better be hungry. Then we toured several of the shops. I enjoyed the hardware store, they have about anything one can imagine.

On the way back we stopped at a Zip Line Ride, a Hundred bucks per ride. I eased Linda out the door, but I'm afraid she put it on her Bucket list, if you know what I mean. We rode interstates I26, and I40 back to save time. The next morning you got it, we had to head for home, I had committed to preach in my church Sunday. Overall the trip and the fellowship was great.

Thanks See You In The Wind.
